

Access and complete online enduring material course

Via computer

Step 1: Go to <https://integris.cloud-cme.com>. Click “**Sign In**” in the upper left corner of the screen.

Step 2: Click the “**Online Courses**” button in the middle of the green banner.

Step 3: Use the “**Browse By**” section to find a specific course or narrow down courses you are interested in.

Step 4: When you find a course, you want to take click the “**Register**” button.

- Registration is FREE. Continue through the 4 steps to register.

Step 5: Once you have registered you will have access to the “**Online Content & Test**” button.

- Click there to complete the course modules and post-test.

Step 6: Once you have submitted the post-test you need to complete the evaluation to receive your credit hours.

- Click “**Complete Evaluation**” and submit your evaluation.

You will see your certificate under “Certificates & Evaluations” in the “My CME” tab.

If you would like step-by-step instructions, click this link for a more detailed guide.
